## A Message from the Principal & SIC Chairperson

We are pleased to present the School Improvement Council Annual Report which provides key information on the 2016-2017 educational progress for Chapin Middle School (CMS). The report includes information such as standardized test scores, a variety of information pertinent to our school, and a list of the current School Improvement Council goals and members.

During the 2016-2017 school year, Chapin Middle earned the designation of a South Carolina School to Watch by the National Forum to Accelerate Middle-Grades Reform. Our SIC was a finalist for the Dick and Tunky Riley SIC Award for Excellence. Our SIC met monthly and was instrumental in setting a positive tone for the school. Several goals for this year included keeping stakeholders informed, improving communication, anti-bullying, evaluating school traffic, and contributing to our School Renewal Plan.

CMS continues to work towards improvement in all areas. It is essential for us to create the very best learning environment possible which includes our core content classes, exploratory classes, and fine arts classes. In addition to the academic success, we enjoy watching our students flourish in the areas of music, art, theater, community service, and athletics.

CMS will continue to grow academically and implement rigorous courses as we prepare for the coming school year, and we are proud to offer the quality educational programs all students deserve. We will celebrate successes in our work and the achievements of our students. Thank you for your continued support of CMS faculty, staff, and students.

Sincerely,

*Anna M. Miller*  
Principal

*Reggie Salazar*  
SIC Chairperson
