A MESSAGE FROM THE PRINCIPAL & SIC CHAIRPERSON

We are pleased to present the School Improvement Council Annual Report which provides key information on the educational programs and progress for Chapin Middle School (CMS). The report includes a variety of information pertinent to our school such as standardized test scores and a list of the current School Improvement Council members and goals.

Chapin Middle is recognized nationally as a School to Watch. State honors include Palmetto's Finest and 2020 recipient of the Riley Award of SIC Excellence. Our SIC meets monthly and is instrumental in ensuring our success. This year our SIC set two specific goals for our school:

1. The CMS SIC will work with staff and administration at CMS to educate and encourage students and families about positive socioemotional health.
2. The CMS SIC will enhance the two-way partnership of CMS with We Care and PRISMA Health.

CMS has made significant progress with these goals and strives for continuous improvement in all areas to create a learning environment where all students are safe, happy, and learning. We enjoy watching our students flourish in the academics, arts, athletics, community service, and leadership.

CMS will continue to implement rigorous course offerings, and we are proud to offer the quality educational programs all students deserve. We will celebrate successes in our work and the achievements of our students. Thank you for your continued support of CMS faculty, staff, and students.

Sincerely,

Stephanie Huckabee

WHAT IS THE SIC?

A School Improvement Council works with the principal and school to focus on issues related to school improvement. By South Carolina law, every K-12 public school in South Carolina convene an SIC. The law states that it is the responsibility of the local school board to ensure SICs are constituted within each district. This includes career, vocational, and technical schools.
