A Message from the Principal & SIC Chairperson

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2013-2014 education progress for Chapin Middle School (CMS). The AER addresses the reporting information required by federal and state laws, including: standardized test scores, a variety of information pertinent to our school, and a list of the current School Improvement Council members.

The AER is available for electronic review by visiting www.lexrich5.org/ChapinMS.cfm or you may pick up a copy from the CMS office.

CMS continues to work towards improvement in all areas of education. We are focused on helping all students work at a higher level of academic achievement. It is essential for us to create the very best learning environment possible which includes our core content classes, exploratory classes, and fine arts classes. In addition to academic success we enjoy watching our students flourish in the areas of music, art, theater, and athletics.

CMS will continue to grow academically and implement new courses as we prepare for the coming school year, and we are proud to continue to offer the kind of quality educational programs that Chapin students deserve. We will celebrate successes in our work and the achievements of our students. Thank you for your continued support of CMS staff, students, parents and the community.

Sincerely,

Anna M. Miller Principal

James Burns SIC Chairperson
