CRESCENT

School Improvement Council Goals

Student Achievement

Crescent High School strives to equip all students with the knowledge and skills to be college and/or career ready upon graduation. Crescent High School also continues to work diligently to improve student achievement on End-of-Course state assessments and to expand curricular offerings in college and career pathways.

School Climate

Crescent High School strives to increase student engagement, improve student satisfaction with their learning environment, and reduce student absenteeism.

Teacher and Administrator Quality

Crescent High School strives to retain qualified, dynamic teachers who positively impact student outcomes, engagement, and culture.
