Our Beliefs

- * Students' academic, physical and emotional well-being guides all decisions
 - * A strong commitment to continuous improvement is imperative for enabling students to become confident, self-disciplined, lifelong learners.
 - * Effective teaching and learning are the major priorities for our school.
- Students learn through different modalities; therefore, a variety of instructional approaches must be used to address individual learning needs.
- * Administrators, teachers, parents and community share the responsibility for student learning and well-being.
 - * Each student is a valued individual with unique intellectual, emotional and physical needs that must be met in order for the student to have a positive self-image.
 - * Setting appropriately challenging expectations increases student performance and contributes to self-confidence.
 - * Communication between school and home enhances learning.
- Collaborative teamwork between faculty and staff positively impacts student learning.
- * Effective leadership must be shared by administrators, teachers, support staff, parents and students.

Promoting Teaching and Learning

River Springs Elementary School (RSES) administration led professional development sessions on two instructional strategies this school year. Feedback and effective questioning were the two highlighted strategies. Our teachers along with administration made school commitments to planning implementing these two strategies into our work each day.

Positive Behavior Interventions and Supports (PBIS) continued at RSES. Teachers and staff taught schoolwide expectations and classroom expectations to all students. Students observed practicing positive behavior, were recognized by earning "Pom, Poms" for their classroom incentive jar. Once their jar was filled, teachers coordinated special events with our school counselor to celebrate positive behavior.

Using data to drive our decision making is a focus at RSES. Our teachers learned and utilized the Professional Learning Community (PLC) process to help guide their instructional decisions. Teachers and administrators collaborated around ELA standards and used the PLC process to improve student achievement.

RSES was excited to welcome back parent engagement face to face within our buildings in the spring of 2022. Parents were invited to engage in our annual Boosterthon Fun Run fundraiser, Father/Daughter and Mother/ Son dances, Field Day, Chorus and Strings concerts, and so much more. Parent participation and support is an area of pride for River Springs.
