Mission Statement: To provide a quality education for every student.

Vision Statement: Inspiring, challenging, and preparing our students for tomorrow's global opportunities.

SIC Annual Goals

McCormick Elementary School was identified as a Comprehensive Support & Improvement (CSI) school, meaning that the weighted point index was in the bottom 5% of all school. Due to this status, the school had a Diagnostic Review in 2019. The following priorities were identified as goals for improving.

MES Priorities

Improvement Priority #1

Collect and analyze a range of feedback data from multiple stakeholder groups to inform decision-making and to determine results in improvement (Standard 1.10).

Improvement Priority #2

Implement a curriculum based on high expectations that prepares learners for their next levels (Standard 2.5), and which is monitored and adjusted to meet individual learner's needs and the school's learning expectations (Standard 2.7).

Improvement Priority #3

Plan and deliver professional learning to improve the learning environment, learner achievement, and the school's effectiveness (Standard 3.1).

Student Achievement

Our students have been working hard this year to make achievement gains despite the circumstances. Our achievement data is listed below.
