

Beliefs

- We believe all individuals have certain basic rights and responsibilities.
- Every individual is worthy of respect and is important.
- Relationships are important.
- Society will benefit from a common desire for everyone to succeed.
- The developmental growth of the whole child is essential.
- All individuals can learn.
- Learning is a lifelong process.

Mission Statement

Through dedication and preparation, Mullins High School will cooperatively provide learners the opportunity to become college, career, and citizenship ready.
