

What is a School Improvement Council?

The School Improvement Council (SIC) serves as an advisory committee to the school's principal and faculty. SIC plays a key role in the education of our state's children, bringing together parents, educators, and community stakeholders to work collectively to improve student achievement.

School Improvement Council's Role

- Assist in writing and annual evaluation of the 5 year School Improvement Plan
- Assist with the writing of the Annual Report to Parents
- Provide advice on the use of school incentive award expenditures that come from awards such as the Palmetto Gold or Silver Award
- Serve as a liaison between the school, the community, and the local school board
- Provide input to be utilized in school decision making

School Improvement Council

Chairman: Jerry Pace

Vice-Chair: Jessica Fram

Secretary: Kasey Knight

Parent Representatives (elected): Deborah Altman, Mitchell Gause, Sabrina Gause, Roberta Hemingway, Chasia Taylor, April Rogers

Teacher Representatives (elected): Melissa Carber, Waymon Edmonds, Jessica Fram, Mellanie Graham, Cody Knight, Kasey Knight

Community Representatives (appointed): Robert Eaddy, Julia Graves, Lula Johnson, Jerry Pace, Rev. Ron Taylor, Rena Willard

Ex-Officio: Elizabeth Ammons, Erica Williams

Administration: Monica Kimbrough

Measures of Academic Progress (MAP)

MAP Testing is used to show a student's academic progress in school. These assessments include Reading and Math. The table below shows the percentage of BNES students meeting or exceeding MAP growth targets from Spring 2014 to Spring 2015

	Reading		Math	
	2014	2015	2014	2015
1 st Grade	66.0%	40.7%	61.0%	64.8%
2 nd Grade	80.0%	51.9%	73.0%	52.8%
3 rd Grade	64/8%	39.6%	54.0%	39.6%
4 th Grade	56.1%	57.9%	41.4%	40.5%
5 th Grade	78.0%	44.2%	50.0%	41.9%

2014-2015 SIC Survey Results

Thank you to all the parents, teachers, and students who participated in our annual survey. Your responses provided valuable information regarding areas needing improvement as well as areas in which we are succeeding. Only students in the fifth grade and their parents were included in the survey. Below is a basic summary of the results. For detailed results, please contact the school.

Parent/Student/Teacher Survey Results Spring 2015

N= Number Surveyed	Teachers N=15	Students N=70	Parents N=58
Satisfied with the learning environment	93.3	85.7	81.0
Satisfied with the social and physical environment	93.4	82.4	84.2
Satisfied with home and school relations	80.0	82.4	75.5

Britton's Neck Elementary

Report to the Parents 2015-2016

Purpose of the Report

"This Report is issued by Britton's Neck Elementary School's Improvement Council in accordance with South Carolina law to share information on the school's progress in meeting various goals and objectives, the work of the SIC, and other accomplishments during the school year."

Title I School

The mission of Britton's Neck Elementary School is to ensure that all students are successful by providing quality, standards-based learning experiences and support services in a safe and nurturing environment.

Principal: Monica Kimbrough
Address: 223 Gresham Rd
 Britton's Neck, SC 29546
Phone: (843) 362-3510
Fax: (843) 362-3519

For details on our school report card, visit: www.ed.sc.gov/data/report-cards/ You will then select the year, select Marion 10, and select Britton's Neck Elementary School.

At Britton's Neck Elementary our goal is to ensure that all students, surrounded by high expectations and a safe, caring environment, reach their full potential. Everyone has worked diligently this year to ensure that we are meeting this goal. High achievement for all subgroups is our focus. Students, teachers, parents and community members have partnered together to ensure each student reaches his or her full potential and that we are progressing towards meeting the performance goals included in the school strategic plan. While we realize there is room for improvement, we are proud of the gains we have made this year.

Our theme for this year was "Attitude Determines Altitude!" We have stressed the importance of attitude in achieving goals and successes. Our goal this year has been to increase student achievement and help our students prepare for college and career readiness. With full-school implementation of the SC College and Career Standards, professional development activities and the work of teachers have been focused throughout the year on aligning standards and instructional practices to ensure appropriate rigor in our classrooms. Teachers met weekly in grade level data teams and bi-monthly school-wide PLCs to create common assessments, plan rigorous standards-based instruction, analyze student performance data and increase their knowledge of effective, research-based instructional practices. On-going data analysis allowed teachers to determine students' progress and needs at any given time during the year. This information was then used to differentiate instruction, providing additional support or acceleration as needed.

This year we used Title I funds to employ a full-time Curriculum Facilitator. Her responsibilities included providing professional development, planning with teachers, modeling instruction, observing and providing feedback to teachers, and leading the data analysis process. While her work was focused on ELA and Math, the Curriculum Facilitator supported teachers in all curriculum areas. We also received state funding for a full-time Reading Coach. She has provided on-going support for our teachers in implementing the Balanced Literacy Model.

We also implemented Positive Behavior Intervention Systems (PBIS) this year. The SOAR theme was used to develop our school-wide matrix of behavioral expectations. Expectations were established to help students be successful, orderly, accountable, and respectful in common areas of the school. Specific behaviors were taught to students and reinforced continuously. Students who displayed appropriate behaviors had an opportunity to earn "Eagle Bucks" which could be redeemed for various awards.

Parents are valued assets who partner with teachers to increase student learning. This year we have worked to strengthen family involvement by sponsoring various programs such as Title I/Curriculum Night, Family Story Night, Math-Science Night, Father-Daughter Dance, Mother-Son Night, Goodies for Grandparents, Pastries for Parents, and Family Fun Fitness Night.

With the support of all stakeholders, we will continue striving to provide the highest quality of education to the students of Britton's Neck Elementary. We remain committed to exploring ways in which education can be made more rigorous and meaningful for each student, while fostering positive personal relationships and holding high expectations.

Our Achievements:

- Received a Lowes grant of \$2400 to provide field trips and instructional supplies
- Target Grant of \$700 for field trips
- 5th Grade received a grant from Patriots Point for blended learning activities as well as science and social studies texts
- Standardized test scores higher than those of schools like ours in all subject areas
- Partnership with Duke Energy and RIF provided each 2nd grade classroom with a set of 35 multicultural hardback books and 8 books for each student to take home

We believe that:

- High expectations produce positive results.
- Learning is a lifelong process.
- Education is the responsibility of everyone.
- The family is the most influential element in the life of a human being.
- Everyone has value.
- All people can learn.
- Mutual respect is critical to building an effective community.
- Education expands opportunities and improves the quality of life.
- An individual's emotional, social, and physical well being is important to the learning process.
- Positive attitudes promote academic success.

Our Current School Goals:

1. Student achievement will be enhanced by a safe and inviting environment.
2. Parents, community, and area businesses will unite to support improved student achievement.
3. Student achievement will improve through implementation of programs to enhance physical, social and emotional health.
4. All students will be "ready" to enter 1st grade.
5. Students will meet state standards in English Language Arts, Math, Science and Social Studies as measured by the state wide testing program.
6. Students and teachers will use technology to improve student achievement.
7. Britton's Neck Elementary will attract and retain highly qualified teachers and administrators.

How We Are Achieving Our Goals:

- Character Education program presented by the School Guidance Counselor
- Quarterly awards program to recognize good behavior, attendance and academic achievement
- Kiwanis Club Lifeskills Leaders awards
- PBIS Implementation
- Red Ribbon and School Bus Safety Week
- Balanced Literacy Model
- Title I/Curriculum Night
- Family Story Night
- Math and Science Night
- Family Fun Fitness
- Goodies for Grandparents
- Volunteer opportunities
- School newsletters, school website and school Facebook page
- Collaboration with Headstart
- School Nurse Program
- Partnership with Britton's Neck Community Center to provide extra-curricular activities
- Screenings for speech, vision and hearing
- Full-time Curriculum Facilitator
- Reading Coach
- Certified reading interventionists
- Weekly Collaborative Planning Time for teachers
- Professional Learning Communities for teachers
- Ongoing data analysis
- Benchmark testing
- Data Teams to create and analyze common assessments
- MAP Testing
- Dominie Testing
- Computer Lab
- Promethean/SMART Boards
- Battle of the Books
- Rotary Club dictionary distribution to 3rd graders
- Student goal-setting and classroom data walls
- Chamber of Commerce book distribution
- Father-Daughter Dance
- Mother-Son Night
- Attending teacher recruitment fairs
