

Goals for School year 2015-2016

1. Instruction continued to be based on the SC Standards with an emphasis on improving the Writing program.
2. Students participated in Fall, Winter, and Spring testing.
3. Teachers continued to use data to improve instructional practices and develop strategies to remediate and accelerate students.
4. Teachers and students have access to computer assisted learning programs. For example: **Brain Pop, Brain Pop, Jr., Study Island** and other computer programs available.
5. We have a full-time Instructional Coach and Part-time Reading Coach.
6. Students that excelled academically participated in the Duke Talent Identification Program.
7. We continued to offer staff development opportunities for teachers using assorted technologies and equipment.
8. PTO continued to provide funds to make Cherokee Trail Elem. School successful.
9. Classroom Guidance continued to support the overall development and well-being of our students.
10. Service Learning projects continued in an effort to help our community and teach students the importance of citizenship.
11. We continued to reward students with extracurricular activities, including movie presentations, dances, and intramural activities.

7	ELA – 81.5 Math – 87	ELA – 71.7 Math – 70.0

Dear Parents,

Welcome to Cherokee Trail Elementary School. We are pleased with the educational accomplishments of our students during the current 2015-2016 school year. We are striving for academic excellence by continuing to grow using a computer assistant curriculum, use data to improve instructional practices, and requiring high expectations of all students. With the support of our stakeholders our school continues to strive for excellence. Parent and Community member's support make a difference as the school prepares students to be successful in the future. Together we are building a sound educational foundation for all students.

Sincerely,
Chester R. King, Principal

Mission Statement:

The Mission of Cherokee Trail Elementary School is to support and challenge students every day to learn lifelong skills to become creative, responsible, and productive citizens.
