2019-2020 Action Plan

For the 2019-2020 school year, our grade level PLC (Professional Learning Communities) will focus on fully implementing the E3 Framework. It will also focus on student strategies for reading and student data to improve overall student achievement. Standardized testing data from the 2018-2019 school year will be analyzed at the beginning of the school year to determine the area of greatest need in grade level bands. Teachers will complete an individualized Student Learning Outcome Plan that will focus specifically on an area of need within their class based on testing data. Teachers will be required to keep documentation of student progress towards the goal set.

McColl Elementary Middle School will implement:

- Mastery Connect, Imagine Learning, and Accelerated Reader in an effort to motivate students to read, improve their reading comprehension, and advance their reading levels
- Gizmos to improve Science skills.
- Differentiated instruction daily to address the needs and learning styles of all students.
- Quarterly data meetings to analyze data, set goals, reflect, and foster an environment where data is valued and used to drive instruction.
- Weekly E3 Step Meetings to focus on student growth and strategies to improve instruction.
- Weekly Grade-Level PLC meetings to collaborate with teachers on planning and instruction.
- Monthly vertical alignment planning with content area teachers during Early-Release Tuesday professional development.

McColl Elementary Middle School

From the Principal...

Dear Parents,

In a collaborative effort with our School Improvement Council, which is composed of parents, community partners, teachers, students, and our McColl Elementary/Middle School staff members, the School Summary Report has been prepared for your viewing. Our goal is to provide each McColl Elementary/ Middle School stakeholder with sufficient information about our progress during the 2018-2019 school year. Within this report you will see accomplishments and successes for this school year, the most recent assessment scores, and the strategic plans for increasing learning for all children. Please take a moment to carefully read this report. You will enjoy its contents and if you have any questions or concerns, please feel free to contact us at any time at 843-523-5371.

Sincerely,

Mrs. Joy Rankin, Principal

Mrs. Gretchen Carlson, SIC Chair

Celebrate with us!

- Implemented Capturing Kids Hearts and Time to Teach to promote positive student behaviors.
- Recipient of 21st Century After School Program Grant
- Administered MAP Testing three times a year: Fall, Winter, and Spring to improve monitoring of student progress along with quarterly Benchmark testing.
- Recognized students' successes (honor roll, perfect attendance, reading achievements) during quarterly "Celebrating Our Success" Assemblies.
- Acquired 6 SMART boards for classroom use from Title I Funds.
- Added Chromebooks for students in grades 5-8. Our middle school is now one-to-one. With all students having access to technology in and out of the class.
- Installed security cameras throughout the campus
- Employed a full time SRO— Officer Terry Freeman
- Provided a Metal and Behavioral Health Counselor to students in need.
- Implemented Mastery Connect, Imagine Learning, and Accelerated Reader as school wide interventions.
- Inducted 43 students into the Junior Beta Club
- Awarded SC Junior Scholar—Madison Woodle
- Awarded District Spelling Bee Winner—Luke Chavis
- Awarded with two students who placed in the Sandhills Regional Science Fair
- Implemented the E3 Grant for teacher growth.

Teacher of the Year
Ms. Whitney Camacho
Support Staff of the Year
Mrs. Wendy Henderson
