One-to-One Technology

All students at Clio Elementary School are one-to-one with Chromebooks. Students and teachers utilize Chromebooks on a daily basis to enhance student learning and teaching. Eight staff members have earned their Google Level I Certification.

Student Services

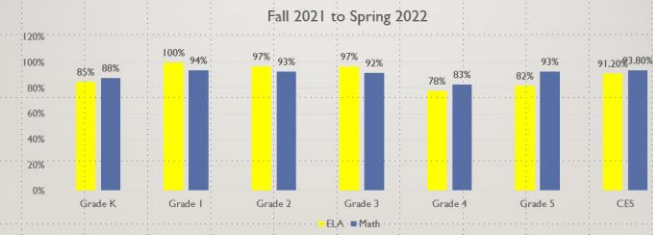

Our Student Support Team provides help and support for students and families. The team visits classrooms to provide lessons on learning skills, empathy, goal-setting, character traits, career development, regulating emotions, conflict resolution, and problem solving. The monthly lunch buddies program encourages opportunities for sharing feelings and learning coping strategies. The team also supports students academically, emotionally, and socially.

After School Program

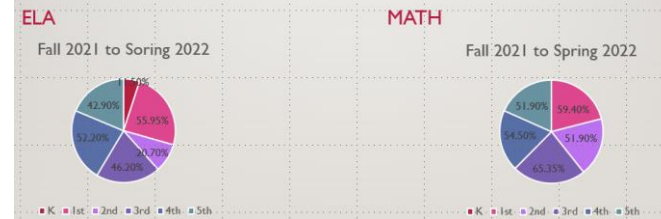

CDF Freedom Schools program has partnered with 21st Century Community Learning Center to provide after-school enrichment through a research-based and multicultural program model that supports k-12 scholars through five essential components: high quality academic, character-building enrichment; parent and family involvement; civic engagement and social action; intergenerational servant leadership development; and nutrition, health, and mental health.
