OUR MISSION

To educate and enable all students to achieve their highest potential.

Our Beliefs

- ⇒ ALL CHILDREN CAN LEARN.
- ⇒ All children should be challenged with high expectations.
- ⇒ Every individual needs a safe educational environment.
- ⇒ Developing a sense of responsibility is fundamental.
- ⇒ Mutual respect is essential for productive learning.
- ⇒ Understanding and respecting cultural differences contribute to a better society. Cultural diversity enriches the educational experience of all students.
- ⇒ Education is the shared responsibility of parents, students, school personnel and community.
- ⇒ Students learn best through a variety of experiences including instruction targeting different ability levels and styles of learning, modeling, hands-on, and real life application. Children are our greatest resource and are to be valued.

- ⇒ Quality education can prepare students for a global, technologically advancing society .
- ⇒ Each individual has unique educational and developmental needs.

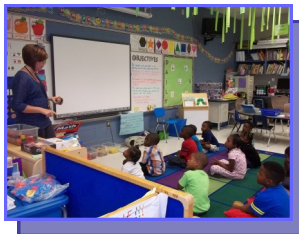

Our Story

Clio Elementary Middle School is focused on ensuring the academic achievement of all students. Our dedicated and highly motivated faculty and staff serve 202 students in grades Pre-Kindergarten through eighth. This school year, our focus has been on providing effective professional development to all staff members in order to increase the rigorous demands of the Common Core Curriculum State Standards. We are also focused on improving the level of communication with our business partners, parents and community.

Curriculum Focus

Throughout this school year, we have worked diligently to increase the level of curriculum provided to our students with the best possible educational experience. We have used the following programs in collaboration with the school district.

- ⇒ HATCH Program in Pre-K and Kindergarten
- ⇒ Go Math in Grades 2-5
- ⇒ Digits in Grades 6-8
- ⇒ FASST Math in Grades 3-8
- ⇒ Fraction Nation in Grades 3-8
- ⇒ Read 180 in Grades 6-8
- ⇒ Study Island in Grades 6-8

Technology Focus

The purpose of instructional technology at Clio Elementary/Middle School is to make information easily accessible and readily available to our students at all times. Therefore, our school has been making efforts to increase the amount of instructional technology that stu-

dents have access to, as well as the level of knowledge that teachers have about effectively using technology for instruction. We have done this by providing:

- ⇒ SMART Boards in all classes
- ⇒ Chrome Books in Math Classes
- ⇒ Dell Venue Tablets
- ⇒ Bring Your Own Device in 8th Grade
- ⇒ Media Literacy Class in 6th Grade

New Initiatives

- ⇒ Healthy Living through increased physical activity and healthy eating
- ⇒ School Safety by purchasing fencing around the playground and installing a security door at the main
