

School Improvement Council

The School Improvement Council for WEMS has played a vital role in the implementation of programs and academic endeavors. Meeting eight times throughout the year, the council is commended for their commitment to WEMS.

Where Education Means Success

REPORT TO THE PARENTS 2019-2020

Proud Title I School

VISION

The School District of Marlboro County will partner with all stakeholders to develop responsible citizens, lifelong learners, and global leaders.

#345

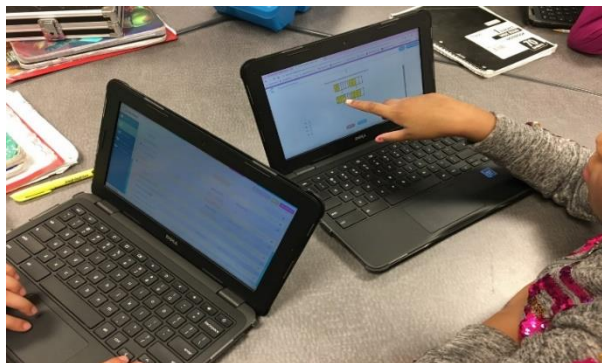

I love you. I care about you. I am here for you.

The mission of Marlboro County School District is to provide a quality education and enable all students to achieve their highest potential.

Mrs. Mahilda Douglas, Principal
Mrs. Ashley Taylor, Principal
Mr. Christopher Brown, Assistant Principal

One-to-One Technology

Students in grades 3-8 at Wallace Elementary Middle School are one-to-one with Chromebooks. Students and teachers utilize Chromebooks to enhance student learning and teaching. In March, students and teachers were able to transition to eLearning due to the school closure. During the 2020-2021 school year, ALL students (grades PreK-8) will have access to a device.

Extra-curricular Activities

Junior Beta Club
Student Council
Academic Challenge
Middle School Sports
Band

After School Program

The afterschool program at Wallace Elementary Middle School provided multiple opportunities for students in grade k-2 to explore media through the Marian Wright Edelman Library each week. In grades 3-8 students were a part of STEM and robotics along with continued support with coding. Students experienced a collaborative culture which represented innovated learning through problem/project-based learning. Activities and instructional strategies were also implemented during the regular school day in all content areas.

Accomplishments

Received recognition and awards at the South Carolina Jr. Beta Club Convention for increased participation by 10% and three individual state awards for students

Raised a total of \$1364.00 for the Kids Heart Challenge (The American Heart Association)

Recipient of 21st Century Grant to serve up to 100 students in our after-school program.

Partnered with SC State University Extension to offer Coding during the 21st Century after school program for students in grades 3-8

Partnered with Duke Energy and Clemson University to offer a Mobile Lab experience for students
