

Where Education Means Success

REPORT TO THE PARENTS 2021-2022 Proud Title I School

VISION

The School District of Marlboro County will partner with all stakeholders to develop responsible citizens, lifelong learners, and global leaders.

The mission of Marlboro County School District is to provide a quality education and enable all students to achieve their highest potential.

School Improvement Council

The School Improvement Council for WEMS has played a vital role in the implementation of programs and academic endeavors. Meeting eight times throughout the year, the council is commended for their commitment to WEMS.

Mrs. Crystal Halma, Principal
Mr. Jason Bracey, Assistant Principal

One-to-One Technology

Students in grades 3-8 at Wallace Elementary Middle School are one-to-one with Chromebooks. Students and teachers utilize Chromebooks to enhance student learning and teaching. ALL students (grades PreK-8) have access to a device. Teachers utilize Schoology and Google Classroom as learning platforms.

Extra-curricular Activities

Junior Beta Club
Student Council
Academic Challenge
Middle School Sports
Band

After School Program

The afterschool program at Wallace Elementary Middle School provided multiple opportunities for students in grade k-2 to explore media through the Marian Wright Edelman Library each week. In grades 3-8 students were a part of STEM and robotics along with continued support with coding. Students experienced a collaborative culture which represented innovated learning through problem/project-based learning. Activities and instructional strategies were also implemented during the regular school day in all content areas.

Accomplishments

Received recognition and awards at the South Carolina Jr. Beta Club Convention for placing Fifth in Robotics.

Recipient of 21st Century Grant to serve up to 100 students in our after-school program.

Partnered with the Special Olympics and received a grant for becoming a Project Unified School.

Partnered with STEM Center and Clemson Extension to offer hands on STEM activities and gardening.
