## MCHS Interact Club Officers Named for 2015 - 2016

The elected officers of Marlboro County High School Interact Club, SY 2015-2016 were inducted to office by Ms Amber Bowen, president of the Rotary Club of Bennettsville on Wednesday, October 14th, after school at the Media Center.

Interact Club is an international organization of service and social clubs for young people of secondary school age that fosters leadership and responsible citizenship and promotes international understanding and peace. The name was created by combining the words "international" and "action." Interact Clubs are sponsored by Rotary Clubs as a program of Rotary International. Rotary Clubs provide guidance and inspiration, but the Interact Clubs are self-governing and self-supporting. Clubs take a variety of forms, both single-gender and mixed as well as large and small.

Each year, Interact Clubs complete at least one community service project and at least one project that further international understanding and goodwill. Interactors develop a worldwide network of friendships through exchanges with local and overseas clubs. Along the way, Interactors develop their leadership skills and initiative while meeting new friends.

Through their service activities, Interactors learn the importance of developing leadership skills and personal integrity; demonstrating helpfulness and respect for others; understanding the value of individual responsibility and hard work and advancing international understanding and goodwill.
