

## Service Learning & Community Involvement

At MCHS, community involvement is vital to ensuring student academic success. Listed below are some ways MCHS collaborated with members of the community.

- Senior Citizen Community Bingo Night
- Beta Club
- Bulldog Ambassadors
- Polished Pearls
- Black History Month Program
- Boys Basketball Toy Drive
- Shoe Drive
- Red Ribbon Week
- Community Bingo

## School Achievements

- Mrs. Karalda Perkins named 2023-2024 Teacher of the Year
- Ms. Caira Wilson named 2023-2024 Rookie Teacher of the Year
- Ms. Senia Douglas named 2023-2024 Support Staff of the Year
- Four Students Recognized for Perfect Fall EOC Scores
- Over 36 National Beta Club Inductees
- DECA Regional Finalists
- Academic Challenge Team Regional Placement

## 2022 Testing Information

Students participate in the End of Course Examinations, WIN Testing and district benchmark tests.

### Students scoring C or Higher

#### On EOC Exams

Algebra I 17.4 %

English II 40.6%

Biology I 17.2 %

US History 17.5%

### Attendance and Credit Recovery

MCHS offers an attendance and credit recovery program for students after school. The program offers students an opportunity to recover hours needed towards seat-time or credit loss due to course failure for classes they are enrolled in for the current school year.

### Parental Involvement

We strive to involve our parents and guardians by offering opportunities for them to come and visit our school.

- Awards Day
- SIC Meetings
- Parent Nights
- Parent/Teacher Conferences

- Dan McNeal, Community Member
- Alexa Sanders, ELA Dept. Chairperson
- Jermaine Purvis, Parent
- Markey Purvis, Student
- Brenlyn Steen, Student
- Kendria Pate, Assistant Principal
- Michael Dease, Principal

### Thank you for the continued support from our Community Sponsors:

- Bethea Funeral Home
- RPM Roller Performance
- Sullie Blair, StateFarm Insurance
- McLeod Health
- Kona Ice
- Jennings Law Firm
- Emanuel Cleaning Services

## REPORT TO THE PARENTS

The primary goal at Marlboro County High School is that our graduates have met one of the Three E's: Employment, Enrollment, or Enlistment. We work to ensure that every student enrolled at Marlboro County High School acquires the 21<sup>st</sup> Century skills outlined in the profile of a SC Graduate to be competitive in this global world. The possession of these skills is extremely important before students' transition into college or their careers.

It is our desire to raise the academic achievement of all our students through targeted assessment, teaching across curriculums, project-based learning, integration of the arts, and utilizing literacy strategies across content areas. We continue to differentiate instruction to meet personalized learning needs of our students through the implementation of research-based instructional strategies to impact each student's individual learning styles and needs. It is our recommendation that all teachers utilize data driven approaches to ensure that students' academic needs are being met. Teachers participate in professional development sessions as well as professional learning communities throughout the school year. Sessions are developed and determined based upon data collected from various assessments, teacher surveys, observations, and the school-wide and district goals.

We work to continue towards success by utilizing research-based instructional practices, character education, parent communication, data analysis, and the integration of technology and arts across all content areas. Our school is 1 to 1 with technology ensuring that each student is assigned a Chromebook. We will continue to fully integrate technology into our curriculum and instructional plans and work to meet the best learning needs of all students.

The administrative team at Marlboro High School models high expectations and works with faculty and staff for continuous improvement with a focus on student engagement and achievement. We pride ourselves on cultivating a learning environment that provides all of our students with an opportunity to learn. We have support staff in our building that help our Bulldog family ensure we are meeting academic, social, and emotional goals of our students each day. We will continue to improve the culture and status of Marlboro County High School ensuring that our students understand "the difficult we do, the impossible we strive for", preparing tomorrow's leaders to face any challenge head on and achieve greatness.
