Performance Goal XIV: The percentage of parents who believe school expectations are "just right" will increase from 66.67% in 2017 to 73.92% in 2023.

Note on missing data: On March 26, 2021, the U.S. Department of Education waived federal accountability requirements and granted flexibility in administering assessments due to COVID-19. The results displayed within this report card should not be compared to those of other years due to the testing limitations as a result of the pandemic. In addition, these results may be incomplete and may not be representative of the make-up of the State, district, or school population.
