## Beliefs

We Believe:

Learning is a life-long process.

Every individual can learn.

Every individual must be given the opportunity to reach his/her potential.

Every individual is unique with different talents.

Learning is the shared responsibility of the individual, school, family, and community.

Every individual must be treated with dignity and respect.

Every individual must have a nurturing and safe environment in which to work and learn.

Every individual must be willing to change in order to achieve progress and success.

Every individual must understand and be responsible for his/her choices and actions.

Family involvement is vital to the development of each individual.

## Bowtie Club

Throughout the school year under the leadership of Kristopher Jones, several fourth and fifth grade students participated in the Bowtie Club. The Bowtie Club is a community based organization dedicated to positively affect the direction of the lives of young men in schools across the midlands. The goal of the Bowtie Club is to create a group of young leaders with high self esteem, who will continue to build their way toward achieving excellence.

## Fine Arts

Our students and teachers excelled again last year in the area of fine arts as we completed our fourth year as an Arts in Basic Curriculum site. The school received Artists in Residence grants and the Distinguished Art Program grant. Our 3rd, 4th, and 5th grade artistic gifted and talented students presented a musical at the Newberry Opera House.
