Arbor Day with the City of Newberry

Strategic Plan Focus

Performance Goal Areas:

- ◆ Student Achievement
- ◆ Teacher and Administrator Quality
- ◆ School Climate

Covid-19 forced us to implement guidelines and procedures to combat the spread of the virus. Though challenging, we are committed to gathering the resources needed to ensure students have everything needed. This has been a collaborative effort with our teachers, staff and SIC members. Prior to starting our efforts and implementing guidelines, our SIC met to ponder ideas and ways to ensure student safety. Information was disseminated regularly discussing good hygiene, appropriate mask wearing, and the importance of social distancing. .
