LITTLE MOUNTAIN

## SIC REPORT TO THE PARENTS

*The School Improvement Council of LME will meet monthly to discuss parental and community involvement to better our school and community. We will review the school's strategic plan as well as write the school narrative for the school's report card. The School Improvement Council will do this by working as a team to support the learning and modeling of the 7 Habits at LME.*

LME families were gifted the book, The 7 Habits of Happy Kids, by the school. Each family were encouraged to read and discuss a habit as a family. Families submitted answers to habit questions in order to become a LME Lighthouse Family.

The students at LME did not let the idea of not being able to share Valentine cards with each other get them down. Instead, they decided to give back in honor of this Valentine's Day!

Students brought in money, that they would typically spend on each other, and donated it to the school. This money was used to buy doughnuts to treat the doctors, nurses and staff at Newberry County Memorial Hospital. LME students recognize that the employees of the hospital are our home town heroes.

July 2020, LME was awarded Leader in Me Lighthouse Recertification.

COVID-19 changed many procedural systems for our school and prohibited us from hosting student performances and face to face meetings, but it did not change the commitment of our school family, SIC and PTO of working together to provide a strong foundation of leadership and learning for children.
