Dear Parents:

The School Improvement Council and the faculty and staff of Newberry Middle School have prepared this Summary Report for you and the community members interested in our school. This report provides you with important information related to the 2015—2016 school year. It lists activities and programs that have been implemented and some “highlights” from the year. We believe in setting high expectations and are proud of our students and their accomplishments. Working together, we will strive to continue to provide even greater opportunities for our students in the future. Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing engaging experiences that are academically excellent and socially equitable.

We encourage you to let us know of any questions or suggestions you may have concerning information included in this report. Thank you for the valuable part you play in the educational success of our students.

Sincerely,

Kimberly S. Hamilton
Principal

School Renewal/AdvancEd Action Plan

Through the School Renewal/AdvancEd Action Plan, the school has identified the following goals for focus:

- Student Achievement
- School Climate
- Teacher Quality

The School Improvement Council, PTO, faculty and staff at Newberry Middle School have worked together to address these goals.

2014-2015 State Testing Results

Mathematics Results—Percent Meeting Standard

7	72.4%	59%	57%
8	57.2%	75.4%	72.6%

Writing Results—Percent Meeting Standard

Grade	2012-2013 PASS	2013-2014 PASS	2014-2015 ACT
6	63.4%	62.1%	38.8%
7	57.9%	61.4%	11.2%
8	65.4%	77.2%	24.5%

YEAR IN REVIEW

NMS continued to uphold a standard and expectation of excellence. Our school did not accept excuses so we proudly continued to see success in the classroom, the arts, athletics, and the community. The current school enrollment is 612 students. Our student body is 50.4% African-American, 18.7% Hispanic, 27.6% Caucasian, .2% American Indian, and 2.4% two or more races. The socio-economic status of our families ranges from low to middle income; however we have 86% of our students on subsidized meals. We do offer free “Breakfast in the Classroom” for all of our students.

Forming positive family and community relationships continued to be a top priority. We accomplished this through partnerships with Book It Readers, Making Middle Grades Work, Community Mentors, Newberry Sheriff’s Department, Newberry Opera House, Operation Get Smart, and Newberry College/RETAIN program. We held the following activities for students/families: Curriculum Night, 6th grade Transition Night, Ms. NMS pageants, Veterans Day program, Red Ribbon Week, Career Day, cultural events and monthly PTO meetings.

We experienced success in the classroom by promoting weekly content collaboration meetings with teachers. Math and ELA teachers attended monthly professional development as we incorporated South Carolina State Standards. Each nine weeks, our students participated in goal setting and data analysis through individual student data folders. NMS offered morning, afternoon, and lunch-time tutoring. NMS became a phase I STEM school, incorporating PLTW curriculum through our Gateway to Technology classes. We utilized both math and ELA enrichment computer labs for students that needed extra practice in these content areas. All classes incorporated literacy, interactive technology, and differentiated instruction. Students had access to 7 computer labs and 2 mobile computer labs as well as 3 science labs with science kits.

Academic teams such as Science Olympiad and the Academic Quiz Bowl Team continue to build success.

All athletic teams boasted winning seasons. Character education was infused in our team practices.

Our chorus and band programs received excellent ratings and continued to see growth in the programs. The community enjoyed a musical, two band concerts and two chorus concerts at NMS.

We continued to give back to our community through United Way, Hoops for Heart, Relay for Life, and Manna House. NMS was named a Heart Healthy Work Place.

At NMS, we continue to live out our motto of “Whatever it takes, our kids ARE worth it”!
