**Newberry Middle School  
 Report to The Parents**

Dear Parents and Stakeholders:

It is with great pride that I present you with the 2018 Report to the Parents. Our students, faculty, and staff had a tremendous year academically, artistically, and athletically. As you look through the Report to the Parents, I hope you will gain a sense of the same excitement that is permeating throughout the classrooms, hallways, auditoriums, and athletic arenas where the Tigers perform. We are proud of our diverse student population and the communities that each student represents. We are equally proud of Newberry Middle, a school that is a direct reflection of our involved and supportive community. I applaud the efforts made by our student body, faculty and staff, and community stakeholders as we continue to pursue our goals in making NMS the absolute BEST!

Whatever it takes, OUR kids ARE worth it!

Kim Hamilton, Principal

**Newberry Middle School Mission Statement**

The mission of Newberry Middle School is to help all students reach their full potential through engaging experiences that are academically excellent and socially equitable.

## The Purpose of the Report to the Parents

As required by Act 135, the School Improvement Council at Newberry Middle School has prepared this Annual School Summary Report to provide an update of our progress toward the school's major goals as indicated in our school improvement action plan. This report also includes accomplishments and test data from last year, as well as school improvement activities planned for this school year. Please take time to review this information and contact the school if you have any questions regarding this report. Your suggestions concerning the improvement of our school program are always welcome.
