Seneca Senior High School 2012-2013 Report to the Parents

Dear Parents and Stake Holders,

It is with great pride that I present you with the 2012-2013 *Report to the Parents*. Our students, faculty and staff have had a tremendous year academically, artistically, and athletically. As you look through the *Report to the Parents*, I hope you will gain a sense of the same excitement that is permeating through the classrooms, hallways, auditoriums, and athletic fields where the Bobcats perform. We are proud of our diverse student population and the communities that each student represents. We are equally proud of Seneca High, a school that is a direct reflection of our involved and supportive community. Join me in applauding the efforts made by our student body, faculty and staff, and community stakeholders as we continue to pursue our goals in becoming the best high school in South Carolina!

“Faithful and True-Hearted...We’ll be TRUE to YOU!”

T. Cliff Roberts, Principal

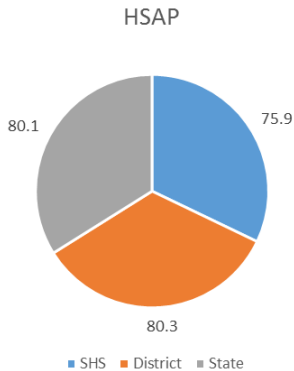

Mission Statement

Through the pursuit of excellence in academics, arts, and athletics, the mission of Seneca High School is to create lifelong learners who are prepared to compete in a global environment and actively participate in diverse societies.

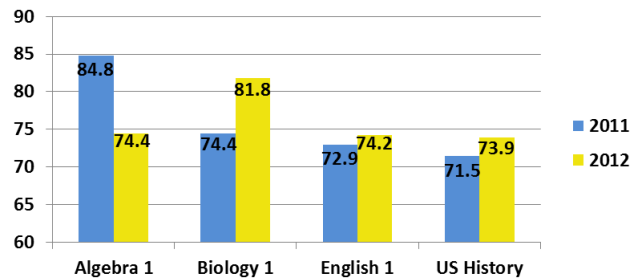

Seneca High School: Excellence in Academics, Arts, and Athletics

The Purpose of Report to the Parents

As required by Act 135, the School Improvement Council at Seneca High School has prepared this Annual School Summary Report to provide an update of our progress toward the school's major goals as indicated in our school improvement action plan. This report also includes accomplishments and test data from last year, as well as school improvement activities planned for this school year. Please take time to review this information and contact the school if you have any questions regarding this report. Your suggestions concerning the improvement of our school program are always welcome.

SHS EOC Scores

South Carolina School Report Card Ratings

This past year, Seneca High School received an overall Absolute Rating of Good on the South Carolina School Report Card. With our school's **Graduation Rate increasing to 80%**, we are pleased with the results we are seeing from our Graduation Services Department. Our faculty and staff and Graduation Coaches will continue to work toward increasing Student Achievement and eliminating Achievement Gaps.
