

SIC PURPOSE

The School Improvement Council (SIC) is required by law and serves as an advisory committee to the school's principal and faculty. The SIC brings parents, educators, students, and community stakeholders together to work collectively to improve Walhalla High School. The SIC is responsible for working with school administration to develop, support, and monitor progress toward the five year school improvement plan.

STRATEGIC PLAN ALIGNMENT

Our most recent school survey data shows that over 85% of students and parents agree or strongly agree that they are satisfied with the school learning environment. The SIC will work with administration to reach a goal of 95% satisfaction by the end of the 2026-27 school year.

Most recent school survey data shows that 95% of teachers agree or strongly agree that they are satisfied with the school learning environment. The SIC will work with administration to maintain the goal of 95% satisfaction.

The average score of students taking the Algebra 1 EOC will continue to increase 3.3 points per year, reaching a C or better success rate of 80% by the end of the 2026-27 school year.

We will work to increase our graduation rate to 92% by the end of the 2026-27 school year.

2023-24 SIC INITIATIVES

Initiative: SIC Sponsored Dance

Goal: Provide fun opportunities for students and raise money for “Shop With a Razorback

Accomplishment: Had over 100 students attend and raised approximately \$1000 for Shop With a Razorback.

Initiative: Co-sponsor 1st Annual Shop With a Razorback

Goal: Work collaboratively with the WHS Student Government Association (SGA) to raise over \$4000 needed to take 40 Walhalla area elementary students Christmas shopping for themselves and their families

Accomplishment: Raised over \$4000 and coordinated and organized the first ever Shop With a Razorback. This event sponsored 10 students from each of our 4 area elementary schools and paired them with a high school student, gave them \$100 to spend on themselves and their families at Wal-Mart, and allowed them to spend the rest of the day at WHS. Students were treated to lunch, a petting zoo, were able to wrap their presents, made hot chocolate, and made holiday crafts.

Initiative: Teacher Recognition and Appreciation

Goal: Recognize and show appreciation to the faculty and staff of WHS

Accomplishment: Students nominated and voted for a teacher of the month and that teacher was recognized with a star on their door and in the WHS Monthly Newsletter. Students also plan to write thank-you notes to teachers during Teacher Appreciation Week in May.

Initiative: Student Club Days

Goal: Provide opportunities for students to connect with peer and faculty members with similar interests

Accomplishment: SIC worked with faculty members to issue a student interest form and worked with administration to schedule monthly club days. Over 30 different clubs have been offered over the course of this year.
