

Walhalla High School

School Improvement Council

Educators, parents, community members and students
Working together to support student success

Your School Improvement Council

The SIC is mandated by law and serves as an advisory committee to the school's principal and faculty. The SIC brings parents, educators, students and community stakeholders together to work collectively to improve the school. The SIC is responsible for working with administration and faculty to develop a five-year school improvement plan and evaluate the school's success in reaching the plan's goals and objectives.

Message from WHS SIC Co-Chairs

We are dedicated to promoting a positive culture where all students and families feel welcome and involved in the educational experience at Walhalla High School. Toward meeting this goal, we are working on ways to help families become more informed about opportunities for student engagement and parental involvement. Our hope is for students and parents to feel valued and know that their voice matters. We invite and encourage your input and involvement on SIC.

Lorilei Swanson and Tricia Burgess

WHS SIC Co-Chairs

Walhalla High School

Annual School Improvement Council REPORT TO THE PARENTS 2016-17

WHS Mission

Together, we are empowering students to become life-long learners by building rapport and providing relevant, rigorous instruction.

WHS Vision

To become a school that:

- provides the foundation and desire for lifelong learning,
- fosters civic responsibility, and
- promotes global understanding and compassion.

4701 North Highway 11
Walhalla, SC 29691
864-886-4490

SIC Annual Goals and Progress

Collect data in a variety of ways to find out what parents and students want and to monitor progress toward SIC goals

- Parent survey distributed during IGP meetings
- Latino parent focus group
- Student focus group

Include Tamassee-Salem High School (TSHS) SIC members equally on WHS SIC

- TSHS Chair is Co-Chair of WHS SIC
- TSHS parent member is Secretary
- TSHS student serves as representative
- TSHS teacher serves as a teacher representative

Increase community and student representation/involvement

- Added five new active community members
- Added 15 active student members
- Changed meeting times to better accommodate students

Improve communication with parents and increase awareness of opportunities to be involved

- Added SIC social media channels (Twitter, Facebook, Instagram)
- Hosted Family Focus Night and open house
- Added block scheduling FAQ to WHS website and incorporated Q&A with the principal at open house event
- Created opportunity for parent volunteer sign-ups for athletic events

Improve communication and outreach to Latino families

- Added One Call Now in Spanish
- Increased representation of bilingual community members, teachers, parents and staff on SIC
- Sponsored professional development session for teachers on how to better engage Latino families

Support school programs to meet the needs of students at risk

- Facilitated mentoring program for Latino youth with Southern Wesleyan University
- Supported Grace's Closet to provide clothing, food and hygiene products for students

Increase school recognition of student achievements

- Established end-of-year award ceremony for undergraduates; parents invited to attend
- Recognized NOW and RAZOR of month recipients and their families at SIC meetings

WHS Strategic Plan Alignment

The goals and activities of the WHS SIC promote a positive school climate and a welcoming environment for all families and community members in the Walhalla area. They are aligned with the WHS Strategic Plan and specifically address the following tactics:

- Raising the "agree" and "strongly agree" score on school climate to 80% using the state parent and student survey tools
- Blending two schools successfully with the merging of TSHS and WHS
- Expanding partnerships between school and community organizations to promote the Walhalla United Program.

For more details on the WHS Strategic Plan visit the WHS SIC website:
