Throughout the year, we have examined and evaluated a host of data sources to seek continuous growth and improvement. We focused on effective instructional strategies, implementing technology into the classroom, grading practices, and issues relating to working with students from a variety of socio-economic backgrounds. We continue to foster and improve our healthy school climate. This emphasis has helped us improve student academic success by establishing positive relationships with students, improving instruction, and establishing proven classroom management practices.

Academically, our students have excelled as they work to pursue their post-secondary goals. 266 current 10<sup>th</sup> – 12<sup>th</sup> graders completed last year with a GPA of 3.5 or higher, receiving an academic bar. This is an increase in percentage and number over last year. 60% of our graduating seniors qualified for state scholarships. College bound students were offered and encouraged to participate in our SAT planning sessions sponsored by our guidance department. Our ninth grade PE classes continue to participate with Safe Harbor to focus on the problem of domestic violence. This culminated in an assembly where Senator Alexander presented our students with a Resolution to the Senate Floor to have February declared Teen Dating Violence Awareness Month, which was inspired by our students.

Students were recognized for outstanding performances as they competed with other students across the region and state. Several band, orchestra, and choral students qualified for all-county, all-region, and all-state levels. In visual arts, several students' work was showcased locally and regionally. This year our drama department will produce two performances, *A Dinner Murder Mystery*, and *Beauty and the Beast*. West-Oak athletics continue to have great success with several all-region individuals.

West-Oak High School will continue to grow next year. We plan to continue working with our students, parents, and community to improve the educational opportunities at West-Oak in the years to come. Our goal is simple; we want to provide the absolute best education for our students and prepare them for the challenges ahead. As students graduate and leave West-Oak High School, we are confident that they are college and career ready, with the skills to be successful in whatever path they pursue.
