West-Oak High School's Five Year Strategic Plan

Goal 1: Student Achievement

- Increase graduation rate by one percent each year.

Goal 2: Quality Personnel

- Teachers will work to improve instruction so students will perform at a high academic level.

Goal 3: School Climate

- Based on the state parent and student survey, parents and students will be satisfied with the school learning environment
 - Refer to this survey for specific school environment questions and criteria

Excellence in Co- Curricular and Extra-Curricular Activities

Purpose Statement:

The purpose of WOHS is to provide students with the tools and opportunities to succeed in the next phase of their lives.

Mission Statement:

Warriors invest in educational and personal goals in order to THRIVE.

Vision Statement:

At WOHS, we strive to nurture and guide our students to become innovators, independent thinkers, and information seekers who graduate as College and Career Ready community-minded team players that are confident and proud Warriors, fully prepared to THRIVE.

Teach

- Graduate college and career ready students
- Raise the academic challenge and performance of each student
- Create relationships that embrace rigor
- Learn from one another
- Emphasize application over memorization

Hear

- Increase engagement
- Foster open communication
- Engage in a meaningful professional learning community for ongoing professional development
- Ensure that all individuals feel heard
- Connect student-driven interests and community needs

Respect

Extend respect and receive respect

- Nurture good relationships that foster respect
- Sustain a high level of staff morale
- Maintain a culture that encourages positive student behavior
- Model respectful behavior throughout the community

Innovate

- Broaden the level of financial and communication literacy for all students
- Provide a school environment that is supportive of learning
- Challenge all to try new methods, new strategies, new technology
- Implement innovative tools
- Embrace curiosity to expand instructional methods

Validate

- Improve the graduation rate to 80%
- Use data to drive instruction
- Instead of making students feel that they have failed, make them feel that they just haven't accomplished their goal YET
- Emphasize to students that their contributions are valued and add to the larger learning community.
- Help students appreciate their talents and abilities.

Encourage

- Student engagement opportunities and parent involvement will be increased through Warrior Strong initiatives.
- Don't compare success to the success of others, compare it to what goals you have yet to achieve.
- Celebrate growth, no matter how small
- Provide students with opportunities to succeed
- Model excitement for learning to engage students

Academic Performance:

WOHS	SAT: Combined Verbal and Math	ACT
2021	983	22.5

2019 EOC % Passing Rate C or Higher
