The School Improvement Council is set up by the SC Legislature. It is an advisory body to the principal and functions to promote student success, provide information to, and promote the school's progress to interested community stakeholders.

OUR MISSION & VISION

Our mission is to believe in our students enough to hold them to high expectations! Our vision is to balance student engagement with academic excellence so that students want to be at school today and will be prepared for tomorrow.

RMS is located in an incredible community. We have an active and supportive PTO. We also have many community partnerships that benefit our students.
#OneSchoolOneHeartbeat

We want our students to love school and have many opportunities for student engagement such as our annual Slime Run, dodgeball tournaments, and block parties.
#WorkHardPlayHard

We are an AVID Schoolwide Site and implement writing, inquiry, collaboration, organization, and reading (WICOR) strategies across the curriculum.
#AVIDforPossibility

We boast a state championship in archery, conference championships in boys and girls basketball, and a variety of awards in our band, chorus, robotics, and agriculture programs.
#WeAreRiverside

**Work hard.
Play hard.**
