Dear Parents,

This Report is issued by the James M. Brown Elementary School Improvement Council in accordance with South Carolina law to share information on the school's progress in meeting various goals and objectives, the work of the SIC, and other accomplishments during the school year. This report is distributed to all James M. Brown Elementary students, parents/ guardians, the district office, and the Oconee County Board of Trustees. In addition, copies can be found in the main office.

If you have questions about the information summarized or about JMB, please call Mary Thrift, Principal, at 718-4299 or email at mthrift@sdoc.org.

JMB Curricular Goals

James M. Brown Elementary continues to review, revise, and improve our school plan in order to strive for excellence. The following are key areas of focus and implementation for us:

Literacy in all classrooms - We continue to emphasize best-practices in literacy in every classroom. District wide professional development in LETRS for teachers to focus on the Science of Reading strategies in all classrooms.

Using data to drive instruction - We continue to analyze and utilize data from school, district, and state assessments such as SC READY, Benchmarks , MAP, FastBridge, and various classroom and school level programs. We also provide ongoing professional development on leveraging the data to maximize our teaching.

Implementing Technology - We continue to utilize technology as an instructional tool by purchasing Chromebooks, interactive panels, and other various technology items for classrooms and student learning.

Interventions and Enrichment - We continue to

provide intervention and enrichment resources for teachers to use with students in the areas of reading and math. We have a Reading Coach on campus to help support teachers in implementing interventions in the classroom. In addition, all students receive an enrichment period during the school day to further individualize instruction.
