Progress towards our School Renewal Goals

Curriculum

At Ravenel we have continued:

- The MAP/PASS mentoring program for students in grades 2-5 .
- To conduct weekly grade level planning meetings.
- To use assessments to guide instruction such as MAP, Fountas & Pinnel, running records for reading, and results from state-wide and district-wide testing.

School Environment

- Continue to increase technology resources towards the goal of one student to one device.
- Continue to refine and implement PBIS school-wide systems.
- On-going construction of new classrooms, playground, cafeteria, and gymnasium.

Home-School Connection

- To update school and teacher websites to keep the community informed of upcoming events.
- To host community events such as Artists on the Green and Career Day,.
- Provide location for community activities such as Good News Club and local Cub and Girl Scouts.
- To raise money for and support charities such as American Heart Association and the American Cancer Society.
- Food drive for local food banks and relief for flood victims through Red Cross.

Introduction

This report is provided to parents in compliance with the Education Finance Act (EFA) of 1977, the Education Improvement ACT (EIA) of 1984, and the Elementary and Secondary Academic Act (ACT 135) of 1993. It presents information about our progress towards our school renewal plan goals.

Our School Improvement Council reviews our goals and achievements and reports progress to our school family and community. Ravenel believes that school and community should work together.

Mission Statement

Our mission is to provide a strong foundation for our students' future success.

What We Believe

- All students can learn.
- It is our charge to educate the whole child.
- Student learning is the primary focus of the school and each child has the right to achieve his/her potential.
- The school thrives when all students and community members share a sense of duty to one another.
- Students succeed when they are empowered to make appropriate decisions and accept responsibility for their choices.
- School should be a place where respect, responsibility, and honesty exist and where students feel safe.
- On-going assessment should drive the curriculum and should determine the instructional needs of individual learners.
- Home, community and school work together to benefit all students.
