Beta, Student Council, GT, Paw Pals, Safety Patrol, BARK Reading, Walking, Flag Team, Good News, YMCA Care, News Team, Special Olympics, Future Chef

21st Century Grant—After School Program—”Cat Claws”

School Highlights:

- Raised \$ for JRFH, March of Dimes, and Relay for Life
- Shop with a Bobcat
- We purchased STEAM activities and interactive panels with Title I money and fundraising efforts
- Veterans Day Breakfast
- Grits for Grands

We envision a school that:

- Responds to the individual needs of students
- Determines instruction with ongoing assessment
- Values the roles of parents, community, and school to educate our children
- Excellence is the standard
- Nurtures problem-solvers and responsible citizens for a global society
- Each member of the school community is a lifelong learner.
- Loves each child who enters our doors

-Improve /Implement our Guided Reading Library

-Continue to host family nights for the arts, math, science, social studies, and ELA.

What We Believe

All students can learn.

It is our charge to educate the whole child.

Student learning is the primary focus of the school and each child has the right to achieve his/her potential.

The school thrives when all students and community members share a sense of duty to one another.

Students succeed when they are empowered to make appropriate decisions and accept responsibility for their choices.

School should be a place where respect, responsibility, and honesty exist and where students feel safe.

On-going assessment should drive the curriculum and should determine the instructional needs of individual learners.

Home, community and school work together to benefit all students.

Mission:

We are building a strong foundation for the future success of students.

RES is Reaching Every Student.
