Mission Statement

The mission of Walhalla Elementary School, in cooperation with the home and community, is to develop confident, responsible, productive lifelong learners, by providing a comprehensive educational experience in a positive environment.

Our Beliefs

- ◆ Students should be prepared to be lifelong learners.
- ◆ All students should learn, given a supportive and challenging learning environment.
- ◆ Students should have an equal opportunity to learn in a physically and emotionally safe environment.
- ◆ Students should be the center of an educational process that is committed to continuous improvement and valued by the home, school, and community.
- ◆ Education should address differences of students, while meeting their physical, cultural, social, emotional, and cognitive needs.
- ◆ Students should have the opportunity to be actively involved in the learning process and to take responsibility to produce quality work.
- ◆ Parents and guardians should have the opportunity and accept the responsibility to actively support the learning process.
- ◆ Assessments of student learning should provide students with a variety of opportunities to demonstrate their achievement of the expectations for their learning.
- ◆ Education should be relevant to the needs of the changing technological society in which it operates.

Evaluation of Goals for 2015 - 2016

- ◆ We continued to emphasize self-control, thinking, achieving, respect and responsibility.
- ◆ Students in grades 3, 4, and 5 were offered weekly math and ELA instruction in our school computer labs.
- ◆ Family night activities were offered to allow additional time for stakeholder involvement.
- ◆ Families were invited into classrooms to be involved in math and ELA games, reader's theaters, science experiments, social studies presentations, etc. to increase stakeholder involvement.
- ◆ Purchased instructional technology for classroom use.
- ◆ We provided staff development in the area of writing and technology.
- ◆ Academic assistance provided for identified students.
- ◆ Emergency procedures reviewed and updated.
- ◆ Measuring Academic Progress (MAP) testing conducted 3 times a year for students in grades K - 5.
- ◆ Maintained No Child Left Behind "Highly Qualified" status for 100% of our faculty and staff.

School Renewal Plan Goals for 2016 - 2017

- ◆ We will continue to increase our instructional technology by purchasing iPads and Chrome Books for students.
- ◆ Our students will continue to participate in enrichment and remediation programs in the computer labs twice a week. Students in grades 3-5 can attend the lab before school.
- ◆ We will provide staff development in the John Collins Writing Program and the Canvas Website.
- ◆ We continue to analyze available assessment data to find areas of weakness and locate patterns and trends among classes and/or grade levels.
- ◆ We continue to use PBIS to promote a positive environment and recognize our students for exhibiting STAR behavior.
- ◆ MAP testing 3 times a year in K – 5th grades.
- ◆ We continue to have 100% of our staff meet the requirements for "Highly Qualified" status as defined by NCLB.
- ◆ We will continue to use a comprehensive guidance program.
- ◆ Our SIC and PTST continue to sponsor many family activities.
- ◆ We will continue to review our emergency procedures to ensure the safety of our students and staff.
- ◆ We will continue to use MAP data to group students for math and ELA instruction within the classroom.
