Mission Statement

The mission of Walhalla Elementary School, in cooperation with the home and community, is to develop confident, responsible, productive lifelong learners, by providing a comprehensive educational experience in a positive environment.

Our Beliefs

- ◆ Students should be prepared to be lifelong learners.
- ◆ All students should learn, given a supportive and challenging learning environment.
- ◆ Students should have an equal opportunity to learn in a physical and emotionally safe environment.
- ◆ Students should be the center of an educational process that is committed to continuous improvement and valued by the home, school, and community.
- ◆ Education should address differences of students, while meeting their physical, cultural, social, emotional, and cognitive needs.
- ◆ Students should have the opportunity to be actively involved in the learning process and to take responsibility to produce quality work.
- ◆ Parents and guardians should have the opportunity and accept the responsibility to actively support the learning process.
- ◆ Assessments of student learning should provide students with a variety of opportunities to demonstrate their achievement of the expectations for their learning.
- ◆ Education should be relevant to the needs of the changing technological society in which it operates.

Evaluation of Goals for 2011 – 2012

- ◆ We continued to emphasize self-control, thinking, achieving, respect and responsibility.
- ◆ Students in grades 3, 4, and 5 were offered weekly math and ELA instruction in our before and after school computer labs.
- ◆ Family night activities were offered to allow additional time for stakeholder involvement.
- ◆ Purchased instructional technology for classroom use.
- ◆ Staff development in Instructional Technology, Writing, and data analysis.
- ◆ Academic assistance provided for identified students.
- ◆ Evening conference day held to accommodate parents' schedules.
- ◆ Emergency procedures reviewed and updated.
- ◆ 100 Book Challenge in grades 1-3.
- ◆ Measuring Academic Progress testing conducted up to 3 times a year for students in grades 1 - 5.
- ◆ Maintained No Child Left Behind "Highly Qualified" status for 100% of our faculty and staff.

School Renewal Plan Goals for 2012 – 2013

- ◆ We increased our instructional technology by purchasing iPads for classes.
- ◆ Our students participate in the SuccessMaker lab twice a week. Students in grades 3-5 can attend the lab before and after school.
- ◆ We provided staff development in Common Core State Standards and assessments. The administration participated in the Common Core State Standards Black Belt training through the SDOC.
- ◆ We continue to analyze available data to find areas of weakness and locate patterns and trends among classes and/or grade levels.
- ◆ We continue to use PBIS to promote a positive environment and recognize our students for exhibiting STAR behavior.
- ◆ MAP testing up to 3 times a year in grades 1-5 and twice a year for Kindergarten.
- ◆ We continue to have 100% of our staff meet the requirements for "Highly Qualified" status as defined by NCLB.
- ◆ We continue to use a comprehensive guidance program.
- ◆ Our SIC and PTST continue to sponsor several family activities.
- ◆ We continue to review our emergency procedures to ensure the safety of our students and staff.
- ◆ We continue to use MAP RIT bands to regroup students for math instruction.
