Mission Statement

The mission of Walhalla Elementary School, in cooperation with the home and community, is to develop confident, responsible, productive lifelong learners, by providing a comprehensive educational experience in a positive environment.

Our Beliefs

- ◆ Students should be prepared to be lifelong learners.
- ◆ All students should learn, given a supportive and challenging learning environment.
- ◆ Students should have an equal opportunity to learn in a physically and emotionally safe environment.
- ◆ Students should be the center of an educational process that is committed to continuous improvement and valued by the home, school, and community.
- ◆ Education should address differences of students, while meeting their physical, cultural, social, emotional, and cognitive needs.
- ◆ Students should have the opportunity to be actively involved in the learning process and to take responsibility to produce quality work.
- ◆ Parents and guardians should have the opportunity and accept the responsibility to actively support the learning process.
- ◆ Assessments of student learning should provide students with a variety of opportunities to demonstrate their achievement of the expectations for their learning.
- ◆ Education should be relevant to the needs of the changing technological society in which it operates.

Evaluation of Goals for 2012 – 2013

- ◆ We continued to emphasize self-control, thinking, achieving, respect and responsibility.
- ◆ Students in grades 3, 4, and 5 were offered weekly math and ELA instruction in our school computer labs.
- ◆ Family night activities were offered to allow additional time for stakeholder involvement.
- ◆ Purchased instructional technology for classroom use.
- ◆ Staff development in Instructional Technology, Writing, Common Core State Standards and data analysis.
- ◆ Academic assistance provided for identified students.
- ◆ Evening conference day held to accommodate parents' schedules.
- ◆ Emergency procedures reviewed and updated.
- ◆ 100 Book Challenge in grades 1-3.
- ◆ Measuring Academic Progress testing conducted up to 3 times a year for students in grades K - 5.
- ◆ Maintained No Child Left Behind "Highly Qualified" status for 100% of our faculty and staff.

School Renewal Plan Goals for 2013 – 2014

- ◆ We increased our instructional technology by purchasing iPads and Chrome Books for classes.
- ◆ Our students participate in the SuccessMaker lab twice a week. Students in grades 3-5 can attend the lab before school.
- ◆ We provided staff development in Common Core State Standards and assessments. The administration participated in the Common Core State Standards Black Belt training through the SDOC. We also provided training in the EnVision Math Series.
- ◆ We continue to analyze available data to find areas of weakness and locate patterns and trends among classes and/or grade levels.
- ◆ We continue to use PBIS to promote a positive environment and recognize our students for exhibiting STAR behavior.
- ◆ MAP testing up to 3 times a year in grades K – 5th grades.
- ◆ We continue to have 100% of our staff meet the requirements for "Highly Qualified" status as defined by NCLB.
- ◆ We continue to use a comprehensive guidance program.
- ◆ Our SIC and PTST continue to sponsor several family activities.
- ◆ We continue to review our emergency procedures to ensure the safety of our students and staff.
- ◆ We continue to use MAP RIT bands to regroup students for math instruction.
- ◆ We implemented an Achieve 3000 computer program for students.
- ◆ We implemented a keyboarding program for students in grades 3 -5.
