Mission Statement

The mission of the Westminster Elementary School is to partner with families to develop responsible, productive citizens who are life-long learners.

Our Beliefs

- A safe, nurturing environment where respect and dignity are valued, promotes student learning and confidence.
- Education is a life-long process
- Education must be relevant to the needs of the changing technological society in which it operates.
- Education must address the physical, cultural, social, emotional, and cognitive needs of each student.
- Education must provide the opportunity for students to think critically, creatively and effectively problem solve, and act responsibly.
- Each student is a valued individual with unique physical, social, emotional, and intellectual needs.
- Students learn best when they are authentically engaged in the learning process.
- Valuing parent and guardian support as part of the student's learning process.
