MESSAGE FROM SIC

The School Improvement Council's mission is to partner with the school on improvement projects and the creation of the Title I plan. The SIC is made up of community members, business partners, administration, parents and teachers.

The SIC works behind the scenes to collaborate with the school and community to help provide opportunities and resources that will support the growth of our future community leaders.

STUDENT ACHIEVEMENT

Westminster Elementary School is a Title I school. With our Title I funds, the school has additional staffing that allows for smaller classroom sizes and more interventionists to target our struggling students. Title I funds also helps us staff our Engineering class as a part of our related arts rotation.

Using NWEA's Linking Study for SC Ready, the table below shows the percentage of our students that are on target to meet and or exceed expectations in grades 2-5.

Grade	Reading	Math
2nd	31.5%	61%
3rd	48.3%	70%
4th	24%	43%
5th	30.3%	33.4%
