

# La France's Report to the People

Spring 2025

---

This school year has been one to celebrate! Our students shined in musicals and performances, danced the night away at our school dance, and showcased their talents during our vibrant Art and Literacy Night. We promoted health and school spirit through our Fun Run and enjoyed the sunshine during a successful Field Day. Students experienced powerful learning beyond the classroom, from our 6th grade career awareness trip to memorable overnight adventures for 4th-6th grades. Most importantly, we saw tremendous academic growth across all grade levels. Our campus is also growing—construction is underway to improve and expand our learning spaces. It's been a fantastic year of learning, celebration, and progress!

---

## Title I

La France Elementary is a Title I School which means we receive funds from the federal government to assist in providing additional instructional resources, technology enhancement, instructional staff, and educational opportunities, based on our poverty index.

At La France Elementary, funds from Title 1 are used to fund:

- \* Math manipulatives
  - \* Reading/Writing support materials used for instruction
  - \* Growth of non-fiction & fiction texts beyond typical classroom library
  - \* Lowered class size
  - \* Reflex and Frax for math fact fluency
  - \* Literacy Footprints for 5k - 3rd grade and interventionists
  - \* Interventionist for Tier 2 reading and math
- 

## Student Learning Growth

Teachers assess learning and administer assessments throughout the year to gain a better understanding of the learning and instructional needs of our students.

These assessments include:

- NWEA's Measures of Academic Progress (MAP)
- CoGAT/ITBS
- KRA
- SCReady/SCPASS
- Standards Based Grading (4k - 2nd)
- myIGDIs
- Amira

---

  - \* Project-Based Learning
  - \* Literacy Footprints
  - \* Free Breakfast and Lunch for All Students
  - \* Eureka Math
  - \* Handwriting Without Tears
  - \* Into Reading
- 

## Technology in the Classroom

La France is proud to be a technology-rich school, thanks to strong support from our school board and district technology team. Every student and staff member benefits from access to digital tools such as Chromebooks, tablets, digital cameras, and interactive learning panels. Through our "1 to World" initiative, all students have been issued a personal digital device. Students in grades 5K–6 are equipped with Chromebooks for use at school, while our 4K learners use tablets tailored to their needs. Each classroom is also equipped with a ClearTouch board and a document camera to enhance instruction and engagement.

---

## Ready, Set, Go!

Each school day, our doors open at 7:10 AM to welcome car and bus riders. Afternoon dismissal begins at 2:30 PM for all students. Being on time every day sets the tone for success, so we encourage all families to make punctuality a priority—unless illness prevents it. If your child is sick, please contact our school nurse to keep us informed and help us support your child's health.
