Purpose:

The Report to the Parents is provided by OPE's SIC committee and is designed to provide parents and the community with information regarding the goals and achievements of Orchard Park Elementary School. Our dedicated teachers and staff seek to offer academic programs and activities that develop 21st century skills of critical thinking, creativity, collaboration, and communication.

Report to the Parents

About Us

Built to ease overcrowding in the Westminster area, Orchard Park Elementary initially welcomed fifth grade students from Westminster Middle School, kindergarten students from Westminster Preschool, and first through fourth grade students from Westminster Elementary School. The school's name is derived from the many apple orchards in the surrounding community.
