

About Our School

Vance-Providence Elementary School is located in rural Orangeburg County. We serve students in PreK through 5th grades with an enrollment of about 220. We are a Title One school. Our staff is dedicated to the success of all students.

It is our goal to ensure that we are meeting the needs of each student each day. Collaboration is fostered and encouraged by all stakeholders.

Our instructional staff strives for excellence through the implementation of standards driven instruction. We continuously monitor student data to adjust instruction to meet student needs.

Staff participated in continuous professional development through school and district PLC sessions. These learning opportunities provide staff with ways to increase content knowledge, improve professionally, and collaborate on instructional strategies and best practices to help improve student achievement.

We are currently in our Learn 2.0 year with our newly adopted curricula for ELA and Math, Wit and Wisdom and Eureka Math. We also use computer-assisted software to provide intervention and enrichment for our student using Dreambox, Edgenuity: Pathblazer, Waterford, and Letterland. Academic Achievement is our primary focus, but we also ensure that we meet the social and emotional needs of our students through regular guidance lessons and group meetings.

“A Team Focused on Every Child, Every Day: No Excuses”

SIC Annual Goals

1. The VPE SIC will work to establish positive relationships with all stakeholders to ensure that student needs are met.
- 2 The VPE SIC will collaborate with teachers and administrators to continue to review, discuss, and provide input on school-wide data. Look for solutions for our students who lack materials and supplies needed throughout the school year. Continue to support school events and programs.
3. The VPE SIC will continue to help increase parent engagement in all school events and programs.
4. The VPE SIC will work to establish community partners to support the school goals and increase student outcomes at VPE.
