

About Our School

Vance-Providence Elementary School is a public elementary school located in rural Vance, SC. The total enrollment is 214. VPE serves students in Pre-K through 5th grade. We are a Title One school. VPE has a dedicated staff. Our goal is to ensure that we are meeting the needs of all students each day. Collaboration is greatly encouraged by all stakeholders. Our instructional staff strives for excellence through the implementation of standards-driven instruction and participating in continued school and district staff development sessions. These learning opportunities provide teachers with ways to increase content knowledge, improve professionally, and collaborate on instructional strategies and best practices that will improve student achievement. Professional development opportunities focus on the new curricula, SC instructional standards, data, and assessments. We use Wit and Wisdom (ELA) and the Eureka Math curricula. Academic achievement is our primary focus and using data to monitor, assess, and adjust instruction based on the needs of our students is key.

School Improvement Council Annual Goals

1. The VPE School Improvement Council will work to establish positive relationships with all stakeholders to ensure that student needs are met.

2. The VPE School Improvement Council will collaborate with teachers and administrators to continue to review, discuss, and provide input on school-wide data, look for helpful solutions for our students who lack materials and supplies needed during the school day, and continue to support school events and programs.

3. The VPE School Improvement Council will work to increase parent engagement in all school events and programs.

4. The VPE School Improvement Council will work to establish community partners to support the school goals and increase student outcomes at VPE.

Mr. Barnes, Local Kiwanis Club sponsors breakfast for VPE Faculty and Staff.
