2020-2021 Report to the Parents

I am so proud of our students, staff, and families of PES for persevering during this challenging school year. We set a goal to work TOGETHER all year long to accomplish our goals. I am proud to say that we did just that. I appreciate you all.—Mr. Simpson

As a result of the global pandemic, the safety and well-being of our students and staff was our primary objective this school year. Countless protocols and precautions were put into place including increased cleaning practices, mask-wearing, social distancing, and adjusting daily schedules.
