

Special Programs

Orangeburg-Calhoun Tech Middle College

OC Tech Middle College blends high school and the first two years of college into one seamless program of study. The OC Tech Middle College provides students with the opportunity to graduate from high school with earned college credit to use at OC Tech or other two and four-year colleges and universities. Whether the goal involves a two-year or four-year college experience, the OC Tech Middle College has something to offer students at Lake Marion High School.

Special Programs

College Summit

College Summit is a national nonprofit organization that partners with schools and districts to strengthen college-going culture and increase college enrollment rates so that all students graduate career and college ready. Trained student influencers build college-going culture, while teachers and counselors use a managed curriculum and technology tools to help all students create post-secondary plans and apply to college.

Jobs for America's Graduates (JAG)

The JAG model is a statewide dropout prevention and workforce preparation program for youth. The objective of the JAG program is to help youth secure a quality job that will lead to a good career. The LMHS JAG program is one of the best in the state and is the current state champion.

LMHS Mission Statement

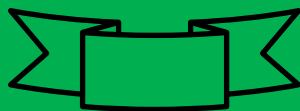

The mission of Lake Marion High School in collaboration with parents and stakeholders, is to provide a safe learning environment that ensures all students value diversity, respect other cultures, and achieve their full potential to become life-long learners who are competitive citizens in a global society.

Dr. Daryl B. Brockington
Principal

LMHS Beliefs

We, Lake Marion High School, believe that community involvement is vital to the success of our schools. Learning is a lifelong process. Effective and honest communication among all stakeholders is vital. Learning is a shared responsibility between home and school. All students are capable of learning. Student commitment is essential to learning. Stakeholders bring value and integrity to the educational process. Student/parent/teacher relationships are vital to a quality education. Respect is a key component of good citizenship. The integration of career and technical education provides an avenue for student success.

Scholastic Accomplishments

- LMHS increased the number of honor roll students by 42%.
- Senior Class amassed over \$3 Million in scholarships.
- LMHS had 3 students to receive the Seal of Biliteracy Award.
- LMHS students who were enrolled in Cosmetology, Barbering, Culinary Arts, and Auto Tech placed very 2nd and 3rd respectively in the Skills USA Competition.
- Skills USA Pre-Engineering Team placed 2nd in the Engineering Technology Competition.

Extra-Curricular Accomplishments

Football had its 3rd winning season in a row and made the state playoffs. 7 players made all region honors. 2 all-star games, and 1 All-State Player

Track and Field had 15 state finals qualifiers.

The Baseball team made it to the state playoffs for the 2nd consecutive season.

We had several students to place superior and excellent in our band program.
