

## About Us

### Edisto High School Mission Statement

**The mission of Edisto High School is to bring out the best in our students and graduate productive citizens prepared for the challenges of the future.**

- ⇒ EHS staff engaged in on-going professional development provided by Orangeburg County School District staff and "in-house experts" to ensure that rigor, relevance, and high expectations remained a focus in the classroom.
- ⇒ We continue to work towards the goal of having all students be college and career ready by providing diverse learning opportunities and relevant activities that motivate our students toward success.
- ⇒ With the adjustment of having to have both virtual and in-person learning, teachers are able to utilize new and innovative resources to support the integration of technology within the classroom.
- ⇒ Student support offered in many ways: Edge-nuity credit and content recovery, Intervention and Enrichment time embedded in the school day, Summer enrichment opportunities
- ⇒ Students have also participated in numerous activities including our successful athletics program, and outstanding band and FFA programs.

**Team E.D.I.S.T.O.**

- ◇ Use of teacher-led data teams to develop common assessments, analyze student progress, and develop and implement strategies for student progress.

### US History EOC

- ◇ Use of teacher-led data teams to develop common assessments, analyze student progress, and develop and implement strategies for student progress.

### English 2 EOC

- ◇ Use of teacher-led data teams to develop common assessments, analyze student progress, and develop and implement strategies for student progress.

### Algebra 1 EOC

- ◇ Use of teacher-led data teams to develop common assessments, analyze student progress, and develop and implement strategies for student progress.

## Key Goals 2021-2022

### To Provide World Class Knowledge to our students:

#### How we are meeting this goal:

- Classes taught by talented and knowledgeable teachers
- Implementation of College and Career Ready Standards
- Implementation of Professional Learning Teams
- Innovative technology tools available for students and staff: 1 : 1 Chromebooks, laptops, document cameras, new ClearTouch Boards in each classroom
- New Owl cameras in each classroom. A 360° smart video conferencing camera that automatically highlights and shifts focus to different people in the room when they speak
- Professional development and training in the use of Microsoft Teams to be able to reach and teach students working virtually and in-person.
- School/District technology courses for teachers

### To Provide World Class Skills:

#### How we are meeting this goal:

- Intervention and Extension opportunities embedded in the school day for student success
- Technology Integration/Instructional software
- Virtual and in-person instruction
- Ongoing professional development at the school and district levels

### To Provide Life and Career Opportunities:

#### How we are meeting this goal:

- Implementation of Positive Behavior Interventions & Supports
- Certified Career Development Facilitator on site
- Career Day Activities
- College Recruitment Activities
- Work-based Learning opportunities
- Job Shadowing opportunities

### To Increase Parental Involvement:

#### How are we meeting this goal:

- Encourage Active Parent participation in PTO and SIC

## About Us

## We are a Multi-Tiered Systems of Support School (M.T.S.S.)

**M.T.S.S. (formerly known as P.B.I.S.)  
is a research and evidence-based, school-wide  
academic and behavioral  
initiative that is:**

- Proactive instead of reactive
- Provides a common language between students staff and community
- Creates consistency & community
- Provides recognition for displaying E.D.I.S.T.O.
