

The Principal's Voice

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by providing a high quality education that consist of high rigor in a small rural environment where children are more than a number.

Branchville High School (BHS) serves the Branchville area of Orangeburg County as a 6-12 school with an approximately 350 student body located in a rural setting. The faculty and staff of BHS is made up of dedicated individuals who have high expectations for all students to learn and grow in a positive, safe and warm educational environment. We believe all students can learn and that parents should be involved in the education of their children. Our goal is to educate students who will be prepared to either excel in post-secondary education, be productive in the workforce, and become lifelong learners.

Branchville High School has had many academic successes this year. Branchville High School had 100% of the 2021-2022 seniors graduate on time and 87.5% of them were college or career ready. South Carolina has our 11th grade students taking the ACT test, WIN test and the ASVAB test. Our goal at BHS is to have 100% of our student college and career ready. Branchville High School Senior and Junior Beta clubs will compete for National honors at the National Beta Convention in Kentucky. In October, our middle school and high school received an "Excellent" rating from the State Department of Education.

In sports BHS captured the region championship in Volleyball, Baseball, and Softball. The two mottos that we, at Branchville, believe in is "Only the Best at BHS" and "Branchville is a Rayl Rode School (RRS) Respect, Responsibility, and Safety". BHS must provide students with academic rigor, relevance, relationships, and fun to be successful for the future. Through the combined efforts of students, parents and teachers, Branchville High School strives to help all students reach their full potential. We encourage all students to build positive memories while preparing to be productive citizens for the future.

We thank you for your continued support.
