

Mission Statement

The mission of Edisto Elementary School, through the partnership of school, home, and community, is to create a caring, secure, and positive learning environment that produces imaginative, lifelong learners who will use high level thinking skills to become successful citizens in a culturally diverse society.

Belief Statements

We believe that...

- All individuals have the ability to learn, therefore, instruction should be tailored to meet the needs of each individual's learning style.
- All individuals deserve to be treated with kindness, dignity, and respect, as taught through character education.
- It is through the combined efforts of parents, teachers, administrators, students, and community that learning becomes a continuous process and the central focus of our school.
- Understanding cultural diversity is a necessity in our society.
- Our school's commitment to continuous improvement gives students the opportunity to become confident, self-directed, lifelong learners.
