

EDISTO ELEMENTARY SCHOOL

The students of Edisto Elementary School are residents of a rural community on the outskirts of Orangeburg, SC city limits. Edisto Elementary strives to ensure all students leave with world-class knowledge, world-class skills, and life and career characteristics as outline in the Profile of a South Carolina Graduate.

School Academic Goals

2021-2022

By June 2022, the current 4th grade students' phonics levels will improve by 5 points on SC Ready using AimsWeb Benchmark System and NWEA Learning Continuum.

By June 2022, the number of students in the Met/Exceeds categories of SC Ready/SC PASS will increase by 5 points or more.

By June 2022, Edisto Elementary will increase the participation of parent involvement and school pride through various school and community events that promote collaboration between home and school.
