

Mission Statement

The mission of Edisto Elementary School, through the partnership of school, home, and community, is to create a caring, secure, and positive learning environment that produces imaginative, lifelong learners who will use high-level thinking skills to become successful citizens in a culturally diverse society.

Belief statements

All individuals have the ability to learn, therefore, instruction should be tailored to meet the needs of each individual's learning

All individuals deserve to be treated with kindness, dignity, and respect, as taught through character education.

It is through the combined efforts of parents, teachers, administrators, students, and the community that learning becomes a continuous process and the central focus of our school. Understanding cultural diversity is a necessity in our society.

Profile

The students of Edisto Elementary School are residents of a rural community. Edisto Elementary School serves third, fourth, and fifth graders.
