It is the mission of Marshall Elementary School to provide opportunities for all students to become critical thinkers, effective communicators, technology users, and good decision makers in a diverse global society.

Parental Involvement

Studies have shown that children are more successful when parents are involved in their education. You can help your child succeed by volunteering, helping with homework, reading to your child and talking with your child's teacher.

Administrative Assistant

SIC Summary Report

The School Improvement Council (SIC) and your school administrators have prepared this School Summary Report for parents and the community. It reviews our 2010-2011 accomplishments, describes our beliefs, and displays current test data.

We Believe That...

- ◆ High expectations and challenging objectives produce responsible, self-motivated students who become successful, self-directed learners.
- ◆ All students can learn if provided a strong academic program that recognizes and respects each child ' s unique physical, social, emotional, and intellectual needs.
- ◆ An educational curriculum that promotes critical thinking and problem solving is necessary in order to equip students with the skills they need to become productive members of society.
- ◆ ALL students at Marshall Elementary WILL LEARN!

PASS TEST RESULTS (Percent Met or Above)

Grade 3	ELA	Math	Science	Social Studies
2009	75.6	49.6	56.9	66.7
