SIC Summary Report

While serving 772 students in Pre-Kindergarten through fifth grade, Marshall Elementary (MES) provides differentiated and challenging curriculum for all students. Our population includes students with a variety of backgrounds and abilities. MES is helping all students develop the World Class Skills of the *Profile of the South Carolina Graduate* by focusing on world class knowledge, world class skills and life and career characteristics. MES helps students develop by providing world class knowledge to ensure students are college and career ready. The curriculum at MES encompasses the four major content areas of ELA, mathematics, science and social studies as well as the arts. Teachers plan rigorous lessons using the SC standards and curriculum resources. Student performance is monitored through analyzing data from various means to include formal and informal assessments. The instructional leadership team, known as the A-Team assists the staff with maintaining a strong Professional Learning Community (PLC) and providing teachers with expertise on understanding and tracking data to inform instruction. The weekly PLC meetings are centered on using student data to make informed decisions about instruction and intervention. Our efforts help to ensure that students are provided with optimal learning on our campus.

The SIC and the Strategic Planning Committee has identified several goals for MES to include:

- Increase student achievement
- Increased parental engagement
- School beautification
-

2018 SC Ready TEST RESULTS

2018 SCReady ELA Data		
Grade	Students Who Met Standard	
3	45	37.2%
4	38	28.6%
5	24	20.2%

2018 SCReady Math Data		
Grade	Students Who Met Standard	
3	49	40.5%
4	27	20.3%
5	29	24.4%

Helpful Hints

Studies have shown that children are more successful when parents are involved in their education. You can help your child by doing the following:

- Helping with homework
- Talking weekly with your child's teacher
- Reading at least 30 minutes a night with your child
- Using the Media Center Specialist for help with on-line programs that students can do at home
- Attending PTO and Parent Involvement nights
- Volunteering at school
- Attend Parenting Academies and Family Activities
- Use the Communication Folder and Agenda
