# SIC Summary Report

The 2012 - 2013 SIC has set long term goals for the next three years for Marshall Elementary. These goals are to solve the safe delivery and pick up of

students at Marshall Elementary. Increase technology for all students in every classroom, and to provide more after-school opportunities for students. The 2013-2014 SIC is striving to meet these goals and receive the Dick and Tunky Riley Awards for their efforts to make Marshall Elementary a "World Class School" for students.

## Parent Involvement

Studies have shown that children are more successful when parents are involved in their education. You can help your child by doing the following:

- Helping with homework
- Talking weekly with your child's teacher
- Reading at least 30 minutes a night with your child
- Using the Media Center Specialist for help with on-line programs that students can do at home
- Attending PTO and Parent Involvement nights
- Volunteering at school
